

# City & Guilds 6150-02/52

## Award in Working in Medium Risk Confined Spaces (Water/Non-Water)

Anyone who needs to work in a confined space would benefit from the Medium Risk Confined Space course.

The City & Guilds course provides a recognised qualification to prove competence in working in these environments. Training takes place at one of our fully facilitated training centres

The qualification will be valid for 3 years.

### Who is the Course Suitable For?

All those who need to work in a confined spaces which have been classified as a medium risk environment as part of their job, should study this qualification to gain the necessary competence to do so.

### What is Covered in the Course?

The 6150-02/52 training course has been designed for those in the industry who would like to develop their skills and work safely in MEDIUM RISK confined spaces to regulation standards.

The training covers all aspects of working in medium risk confined spaces within the principles set out by the National Occupational Standards and will cover the following topics:

- Legislation in relation to working in confined spaces
- Confined space hazard principles
- Risk assessment in confined spaces
- A permit to work system principles
- The safe use of tripods and winches
- The duties of the Topman or Safety Attendant
- How to prepare, enter, work and exit a medium risk confined space
- Confined space communication methods, types and limitations
- Gas monitoring principles and procedures
- Ventilation methods types and limitations
- Preparation and use of emergency escape breathing apparatus
- Don an emergency escape set and exit a confined space safely
- How to deal with emergencies in confined spaces
- Following work safety procedures
- Confined space hygiene

#### City & Guilds Accredited Centre
