

IOSH Working Safely

IOSH Working Safely is a one-day health and safety course which is ideal for absolutely anyone, from any sector who would like to gain a recognised health and safety training certificate.

Uniquely designed compared to most health and safety training courses, IOSH Working Safely focuses on fun and inclusive tasks without jargon and legislation – just enjoyable, stimulating and effective training that drives the important messages about health and safety home.

- **Course Length** - 1 Day
- **Qualification Gained** - your choice of either the IOSH Working Safely Certificate or IOSH Safety Passport (extra £15 charge for the passport)
- **Suitability** - open to everyone. No previous qualifications required
- **Assessments** - multi-format question paper and multiple-choice hazard-spotting exercise.

More About the Course

Everyone at work needs to understand the important of safety and health in the workplace – IOSH's Working Safely training course is one of the best ways for individuals or employers to get the health and safety training they need with minimal disruption to your working life.

The course includes all of the following:

- Memorable and thought-provoking facts and case studies
- Modules backed up by clear examples and recognisable scenarios
- Summaries to reinforce key points
- Checklists and materials supplied for use in the workplace after training
- Informal and interactive quizzes and discussions

Include Your Company Procedures

We can provide bespoke modules designed in combination with your unique business safety protocols. Please contact us directly for more information on tailoring your training course.

Did You Know?

Work as a manager or supervisor? You should consider taking the IOSH Managing Safely course instead.

Location: Nationwide & Onsite

IOSH Working Safely - Benefits for Your Business

Taking IOSH Working Safely isn't just about ticking a box which says you have health and safety training. There are clear benefits to taking this course for both employees and employers, including:

- Recognised by the CSCS (Construction Skills Certification Scheme) as an equivalent to a Level 1 Award in Health and Safety in a Construction Environment (ideal for applying for CSCS cards)
- Learn to define and avoid hazards and risks in the workplace
- Improve your general health by avoiding hazards, reducing sick days and increasing productivity

Optional IOSH Safety Passport

If you wish, you can choose to get the IOSH Safety Passport for an extra £15 after completion of your course.

A credit card-sized identification card, the IOSH Safety Passport outlines your, or your worker's health and safety training. Your card has your photo, security features and an expiry date, proving you currently hold a recognised health and safety qualification.
